

Fresh from the farm ingredients. Olde fashioned service with a smile.

It all started with a dream... a 99¢ Broasted Chicken dinner, a looseleaf notebook filled with treasured family recipes, and one man's desire to share "the best we've ever made."

For over forty years, the Baylor family has been serving families like yours delicious, country-fresh meals made with the best ingredients our local markets (and those around the world) have to offer. *We've been welcoming neighbors and traveling friends from across the globe who want to experience good olde-fashioned country cooking the way our grandmother used to make it!*

The Baylor family business has grown from our humble beginnings at *Farmer's Best* restaurant in Montandon to being able to accommodate up to 750 guests at one seating today at Country Cupboard. *So you can be assured that there will always be room for you!*
